Memorandum Order
No. 141, s. 2026

To: **All Concerned CSU Personnel**

Subject: **Participation in the Conduct of Contractor's Performance Evaluation for Ongoing Infrastructure Projects at CSU-Main Campus**

In line with Caraga State University's (CSU) commitment to accountability and evidence-based governance, and pursuant to Section 12, Annex E of the Revised Implementing Rules and Regulations of R.A. 9184, the University, through its CPES-Implementing Unit, will conduct a Contractor Performance Evaluation on the **Construction of Ladies and Gents Dormitory Project** on **April 28-29, 2026**. The pre-evaluation briefing will be conducted at the **OP Conference Room on April 28, 2026** and the plenary sessions will be held at the **New Administration Building Conference Hall, Caraga State University - Main Campus on April 29, 2026**.

This activity is essential to enable the timely identification of deviations from approved plans, specifications, and schedules, facilitating a more effective coordination with contractors to address gaps and issues before they escalate into significant project delays or cost overruns. Ultimately, it reinforces strict adherence to contractual obligations while generating structured and verifiable documentation that can serve as a basis for contractor eligibility in future projects.

In this regard, all concerned personnel are hereby required to attend the activity. Likewise, the selected accredited **Contractor Performance Evaluators (CPEs)** undertake the evaluation, and the **Engineering and Construction Office** is directed to coordinate with the **CPES Implementing Unit** and **Project Management Office (PMO)** for all preparatory arrangements and other requirements before the activity.

Your participation is highly anticipated and appreciated.

ROLYN C. DAGUIL, Ph.D.
University President
