OP Memorandum

No. 151, s. 2026

To: **All Concerned CSU Personnel**

Subject: **Participation in the Conduct of Contractor's Performance Evaluation for Ongoing Infrastructure Projects at CSU-Cabadbaran Campus**

In line with Caraga State University's (CSU) commitment to accountability and evidence-based governance, and pursuant to Section 12, Annex E of the Revised Implementing Rules and Regulations of R.A. 9184, the University, through its CPES-Implementing Unit, will conduct a Contractor Performance Evaluation on the **Completion of College of Tourism & Hospitality Management Building and Completion of CSUCC Academic Building Complex Projects** on **May 4-5, 2026**, with the plenary sessions to be held on the **Ground Floor of the Athenaeum Building, Caraga State University - Cabadbaran Campus**.

This activity is essential to enable the timely identification of deviations from approved plans, specifications, and schedules, facilitating a more effective coordination with contractors to address gaps and issues before they escalate into significant project delays or cost overruns. Ultimately, it reinforces strict adherence to contractual obligations while generating structured and verifiable documentation which can serve as a basis for contractor eligibility in future projects.

In this regard, all concerned personnel from CSU Butuan and Cabadbaran Campuses are hereby required to attend the activity. Likewise, the accredited **Contractor Performance Evaluators (CPEs)** selected to undertake the evaluation, as well as the **CSUCC Engineering and Construction Office**, are directed to coordinate with the **CPES Implementing Unit** and **Project Management Office (PMO)** for all preparatory arrangements and other necessary requirements prior to the activity.

Your participation is highly anticipated and appreciated.

ROLYN C. DAGUIL, Ph.D.
University President

For and on behalf of the University President

VICENTE A. RITOGO, Ph.D.
Vice President for Academic Affairs

Title of Event: Conduct of Contractor’s Performance Evaluation for Ongoing Infrastructure Projects at CSU-Cabadbaran Campus
Venue: Ground Floor of the Athenaeum Building, CSUCC
